EXT. BATTERY PARK - DAY

NORA, 65, walks merrily along the park. She stops a YOUNG MAN, 24, passing by.

NORA

Um, which way to the Statue of Liberty, please?

MAN

You don't have eyes, bitch?

NORA

I'm sorry, but I *am* blind.

MAN

Then what the fuck you need to go to the
Statue of Liberty for?

Nora takes out a big stick from her Supermarket car and beats the man to death.

NORA

Beg your pardon?

(Pause)

Young man?

(Pause)

I must be going deaf too.

She walks off, folding her big stick in her cart.
